The review board examined every submission and agreed that the information was complete. Several reviewers praised the new state-of-the-art prototype that was presented at the spring meeting by Jean-Paul Martin, and they noted that the archive of every project e-mail was well organised.

A second paragraph follows after a wider gap and it has to stay separate from the first one.

- First item of the list
- Second item is long enough that it wraps onto the following line and
  continues there with a hanging indent
1. Numbered entry
(a) Lettered entry

```
def add(a, b):
    total = a + b
    return total
```
